

Marybeth Hentschel Fiorelli

Marybeth Fiorelli (nee) Hentschel, age 56, of Levittown, PA passed away peacefully at home surrounded by her family on September 1, 2025 after an almost 8 year battle with a rare type of Neuroendocrine Tumor Liver Cancer. She was the loving wife of Robert Fiorelli of Levittown; in October they would have been married 26 years. She was born in Cooper Hospital, Camden, NJ and the beloved daughter of Robert A. and Eleanor Hentschel (nee) McShane.

Her family moved from Somerdale, NJ to Lansdale, PA in 1979. Marybeth attended Corpus Christi Grade School and graduated from Lansdale Catholic High School in 1987. While in high school Beth participated in chorus, stage crew and also did make up for the shows at Lansdale Catholic and La Salle College High School.

After high school Marybeth attended Gordon Phillips School of Cosmetology and became a licensed beautician. Later she became a certified Message Therapist. Marybeth was employed by Golden Scissors Hair Salon in Lansdale for about 10 years. She also worked as a secretary for Miller Pump in Skippack, PA and Skee Ball Corporation Hatfield, PA.

Beth married Robert (Rob) Fiorelli in October of 1999 in Corpus Christi Catholic Church, Lansdale. They have three children Christina Marie, Dayton Robert and Giavanna Eve Fiorelli. Beth enjoyed camping, reading, crocheting, and crafting. But her absolute favorite place to be was on the beach, in a chair with a good book and her feet in the ocean. She taught Religious Education at Queen of the Universe Parish, volunteered for Gilda's Club helping with fund raising events for cancer research and was also a volunteer with New Jersey Boxer Rescue. She and her family have adopted and found forever homes for many boxers.

Marybeth was fortunate to be a stay at home mom, so while the children attended Abraham Lincoln

Grade School she was very active in Home and School activities, fund raisers and classroom events.

Her volunteer work led her to employment for the Bristol Township School District aiding children who needed support with Reading and Math skills. The love of this work helped her take the college plunge and enroll in Grand Canyon University in Arizona to study Special Education. Even while working and studying she found time to continue teaching Religious Education for Queen of the Universe Parish and joined the Harry S. Truman High School Band Boosters.

In 2017 she earned her Bachelors Degree Summa cum Laude from Grand Canyon University and then learned of her illness. Marybeth had a monumental "Will to Live" and faith in the power of prayer. God gave her the time on this earth to use her degree and teaching skills. About a year into her illness when she began to feel better she asked the doctor "When can I get my life back?" He told her to "go for it." She was hired by Catapult Learning as an Interventional Teacher. She loved her work and was devastated when she was forced to go on disability as a result of complications from her illness.

In addition to her husband, children and parents she is survived by brothers Robert A. Hentschel, Jr. and Karl A. Hentschel, sister Christine J. Swarr (Christopher), nephew Bradon Swarr, nieces Estefania Hentschel, Jessica Swarr Snyder (Casey), Lily and Sophia Swarr, great nephews Rowan Thomas and Cameron Michael Snyder, Uncle Richard McShane (Rita) and cousins by the dozens.
